**LOCATION**

Waterloo House Business Centre is a 5-storey modern red brick office building, situated on the East side of Waterloo Road at its junction with Webber Road. The building is just 5 minutes' walk from Waterloo International Mainline and Lambeth North Tube Stations and is also served by several major bus routes, making it extremely well connected for access into all areas of London.

**ACCOMMODATION**

The available accommodation comprises part third floor of 1,100 sq ft providing two self-contained offices with a reception area; alternatively, this could be split to offer circa 400 sq ft with its own entrance. Additionally, there is car parking available to the rear of the property. We understand there is a further 600 sq ft adjacent to this suite which is available should there be a requirement for 1,700 sq ft.
